# Welcome (from our Pastor)

**Pastor Jeff Kluttz**

Please accept our most sincere welcome to First Baptist Church. It is our prayer that God will speak to your hearts as you worship with us. We are a church on the build, with many exciting ministries being developed to accomplish the functions of the New Testament Church. We invite you to inform us of your visit by filling out a blue card in the pew in front of you and dropping it in our blue box next to the front entryway. Please take time this week to visit our website and learn about our ministries and our vision. We're very glad to meet you and to have you worship with us today. In between our Sunday School and Worship service enjoy breakfast with us in our gym. This is a great time of fellowship where we can mingle with the body as a whole. We have a tremendously dedicated team of workers who take pride and have a strong personal investment in the preparation of food for us on both Sunday mornings and Wednesday evenings.

First Baptist Church of Needville is committed to offering life-changing Bible studies for all ages. These classes are designed to offer insight into God's word that will be applicable to every season of life. Dress is casual. Child care is available.

# Just Pondering

**Rick**

*The wicked flee when no one is pursuing them,  
but the righteous are as bold as a lion.  
When a land is in rebellion, it has many rulers,  
but with a discerning and knowledgeable person, it endures.  
A destitute leader who oppresses the poor is like a driving rain  
that leaves no food.  
Those who reject the law praise the wicked,  
but those who keep the law battle against them.  
Evil men do not understand justice,  
but those who seek the LORD understand everything.  
Better a poor man who lives with integrity  
than a rich man who distorts right and wrong.  
A discerning son keeps the law,  
but a companion of gluttons humiliates his father.*

**Proverbs 28:1-7 (HCSB)**

Chapter 28 of Proverbs continues King Hezekiah's collection of Solomon's wisdom. The proverbs can stand alone, but an over-arching theme of social order ties them together.

Have you ever been around someone who is paranoid and is constantly on guard? Years ago, I lived in a garage apartment. My landlady rented to seminary students like me – poor. When the main house was vacated, she let her granddaughter and boyfriend move in. He was a drug dealer, put up cameras and dug a hiding hole under the house – he was ready to flee. We need to be righteously bold.

The next several proverbs contrast a society with a righteous leader to wicked rulers. With wickedness, we can expect rebellion, oppression, no rule of law or justice. The righteous restore order and justice.

Will you seek righteousness and justice in your world?
